Pleasant surprise. Diamond in the rough. Didn't know what to expect. One of the best trips of the year! This is one of those trips! Take a chance...you won't regret it. Spend a couple of days relaxing and enjoying some of the most scenic areas in Illinois. Our first day, we arrive at **Starved Rock State Park**. **Voted the #1 attraction in the State of Illinois**, Starved Rock State Park boasts the largest two-side fireplace in Illinois. The historic **Starved Rock State Park Lodge** was constructed in 1933 by the CCC. We show up just in time to sit and enjoy a hot lunch buffet and see a performance of **Heat Wave – Vintage Songs of Summer**. Get rowdy, snap those fingers, and clap your hands for this unique show that will get you **rockin and ready to dance!** Great music and a high-energy stage show from the **50's & 60's** and more. After some free time to enjoy the **trails and wood carvings**, dinner is included at the **Lodge** followed by **"Storytelling"** of our own. **Three full meals plus breakfast are included on this trip!**

After some early morning exploring time, groups split time on a **trolley and boat cruise tour** of **Starved Rock**. When lunch concludes, we will re-board the coach to complete our journey home with memories and some **"Storytelling"** of our own.
